NEWBORN & BABY PHOTOGRAPHY

Capture the fleeting moments of your newborn with a variety of packages made to help you treasure your new arrival.

Photos can be taken at my house or at yours. Props, backdrops and lighting are also included.

Please note, the below package prices are for babies 4 weeks or younger, for ages about this, please add \$50 to the package.

The Basics - \$250

Our 'Basics' package is designed to help you capture your new bubba. It is a no fuss package that includes approximately an hour photo session and 15 professionally edited digital images returned in print, digital and black & white formats, making it easy for you to print them or to share them with family and friends.

Prints Keepsake Package - \$300

This package is a great way to share your newborn images with friends and family in your home. This package includes approximately an hour photo session and 20 edited digital images returned in print, digital and black & white formats + 20 beautiful 4x6 flush mount, lustre, art prints (photos) in a keepsake box. This package makes a great gift for grandparents!

Photobook Package - \$450

The Photobook package is a great way to get your session printed and seen, without the work on your end. This package includes approximately an hour photo session and 25 edited digital images returned in print, digital and black and white format + an 8x11 inch luxurious photobook with a hardcover and 25 high-quality art print pages (room to print every one of your beautiful photos). Please note: Further books can be ordered at a discounted price.

Canvas Package - \$550

Hang your beautiful photos straight away with this canvas package! This package includes approximately an hour photo session and 20 edited digital images returned in print, digital and black & white formats + a 20inch x 30inch canvas print of one of your photos OR a collage of up to 6 images.

Extras can be added to any package, please contact us to discuss pricing.
